

## SUMMER SESSIONS

Under the war-time accelerated program the summer quarter is regarded as a regular part of the academic year. However, in addition to the usual college work offered during this fourth quarter special studies have been offered in a summer Art Institute and a Music Institute. The courses listed below, with the instructors, were given in the summer of 1944. Similar Institutes are planned for the summer of 1945; the complete summer curriculum will be announced in a separate bulletin.
